

Four-Year Graduation Plan - Courses and Critical Benchmarks

The following is a sample course of study. It is the Student's responsibility to ensure that all program requirements are met. This guide is not a substitute for academic advisement. **All incoming freshmen must develop an academic plan (which maps out all courses needed to graduate within your intended major/degree). Your academic advisor is available to meet with you and create your specific plan.**

Admission to this program requires a separate application. Eligible students will have completed a minimum of 48 credit hours including Biology 202 Cell Biology and Chemistry 322R Organic Chemistry II and will have a minimum UM cumulative GPA of 3.25 by the end of their sophomore year. Applications are accepted each Spring.

Your path to graduation may vary slightly based on factors such as college credit you earned while in high school, transfer work from other institutions of higher learning and placement in Mathematics. You are responsible for checking prerequisites to any courses. Critical Courses and minimum recommended grades (as noted below) provide feedback regarding major fit and help indicate likelihood of successful completion of chosen academic program and degree.

First Math	MATH 120, 210, 216 or STAT 235	Foreign Language Requirement	No	Free Elective Hours	5-11 hours
------------	--------------------------------	------------------------------	----	---------------------	------------

Critical Course or Benchmark	Course Subject, Number, and Title and Academic Plan Benchmarks Bold = UMKC General Education Core Requirement *Prerequisite May Be Required **Co-Requisite Enrollment Required	Min Recom Grade	Credit Hours (CH)	Notes
------------------------------	---	-----------------	-------------------	-------

Fall Semester Year 1: 16 hours

	**Anchor I: Reasoning and Values http://www.umkc.edu/core/courses/		3	A grade of B or higher in biology, chemistry, and math courses is a realistic benchmark for students to successfully complete a biology degree.
	**DISC 100: Reasoning and Values (Speech and Writing)		3	
◆	BIOLOGY 108: General Biology I (Focus B) OR BIOLOGY 109: General Biology II (Focus B)	B	3	ALEKS Math Placement Exam or college credit with a grade of C- or higher in prerequisite required prior to enrollment in MATH 110 and MATH 120. www.umkc.edu/mathplacement/
	BIOLOGY 108L: General Biology I Laboratory OR BIOLOGY 109L: General Biology II Laboratory	B	1	
◆	MATH 120: Precalculus OR CHEM 211: General Chemistry I (Focus Elective) AND CHEM 211L: Experimental General Chemistry I (3 - 5 credit hours)	B	5	
	BIOLOGY 115: First Year Seminar (strongly recommended)		1	Students must earn a grade of C- or higher for courses to satisfy majors requirements.
◆	Complete 12 term hours minimum toward degree. 2.250 or higher UM GPA recommended. 2.250 or higher UM Biology GPA recommended.			

Spring Semester Year 1: 15 hours

	**Anchor II: Culture and Diversity http://www.umkc.edu/core/courses/		3	Register for UMKC Roo Career Network. http://career.umkc.edu/
	**DISC 200: Culture and Diversity (Speech and Writing)		3	
◆	BIOLOGY 108: General Biology I OR BIOLOGY 109: General Biology II	B	3	Students who are planning to complete their degree in 4-years should aim to complete a minimum of 30 credit hours per academic year (Fall, Spring, Summer).
	BIOLOGY 108L: General Biology I Laboratory OR BIOLOGY 109L: General Biology II Laboratory	B	1	

UMKC Major Map: Bachelor of Science in Biology (Biomedical Sciences Emphasis)

First-Time College Students

Catalog Year: 2016 - 2017

◆	CHEM 211: General Chemistry I AND CHEM 211L: Experimental General Chemistry I OR CHEM 212R: General Chemistry II AND CHEM 212LR: Experimental General Chemistry II	B	5	
◆	Complete Anchor I and DISC 100. Complete 12 term hours minimum toward degree. 2.250 or higher UM GPA recommended. 2.250 or higher UM Biology GPA recommended.			

Summer Semester Year 1: 0 hours if all previous courses completed

	May use summer semester to ensure completion of 30 hours per academic year or to lighten fall and spring course loads.			
◆	Complete BIOLOGY 108: General Biology I. Complete BIOLOGY 108L: General Biology I Laboratory. Complete BIOLOGY 109: General Biology II. Complete BIOLOGY 109L: General Biology II Laboratory. Complete CHEM 211: General Chemistry I. Complete CHEM 211L: Experimental General Chemistry I. 2.250 or higher UM GPA recommended. 2.250 or higher UM Biology GPA recommended. Complete 30 total hours toward degree.			

Fall Semester Year 2: 16-18 hours

	**Anchor III: Civic and Community Engagement http://www.umkc.edu/core/courses/		3	Students considering medicine as a career should plan to take coursework in statistics, psychology, and sociology to prepare them for the Medical College Admission Test (MCAT).
	**DISC 300: Community & Civic Engagement (Speech and Writing)		3	
◆	BIOLOGY 202: Cell Biology OR BIOLOGY 206 Genetics	B	3	
	CHEM 321: Organic Chemistry I AND CHEM 321L: Organic Chemistry Laboratory I	B	4	
	MATH 210: Calculus I OR MATH 216: Calculus for Biological Sciences OR STAT 235: Statistics	B	3-5	
◆	Complete 12 term hours minimum toward degree. 2.250 or higher UM GPA recommended. 2.250 or higher UM Biology GPA recommended.			

Spring Semester Year 2: 13-14 hours

◆	BIOLOGY 202: Cell Biology OR BIOLOGY 206 Genetics	B	3	Students planning to continue their education in professional or graduate programs should meet with their adviser to discuss application timeline and requirements.
	CHEM 322R: Organic Chemistry II AND CHEM 322L: Organic Chemistry Laboratory II	B	4	
	MATH 220: Calculus II OR MATH 226: Biomath II: Statistics and Modeling OR STAT 235: Elementary Statistics (3 - 4 credit hours)	B	3-4	Students interested in health care should consider applying to the following: < BS Biology Biomedical
	Focus A: Arts and Humanities http://www.umkc.edu/core/courses/		3	

UMKC Major Map: Bachelor of Science in Biology (Biomedical Sciences Emphasis)

First-Time College Students

Catalog Year: 2016 - 2017

 Complete 12 term hours minimum toward degree. 2.250 or higher UM GPA recommended. 2.250 or higher UM Biology GPA recommended.	Sciences Emphasis Program < Reserved Admission-UMKC School of Dentistry
--	---

Summer Semester Year 2: 0 hours if previous courses completed

May use summer semester to ensure completion of 30 hours per academic year or to lighten fall and spring course loads.			Students must complete RooWriter Writing Assessment prior to enrolling in a Writing Intensive Course. https://net3.umkc.edu/intapps/RooWriter/logon.aspx
 Complete 60 total hours toward degree. Complete RooWriter Assessment. Complete Anchor II and DISC 200. Complete CHEM 321: Organic Chemistry I. Complete CHEM 321L: Organic Chemistry Laboratory I.			

Fall Semester Year 3: 15-16 hours

LS-ANATO 218: Introductory Anatomy	B	3	File an Application for Graduation.
LS-ANATO 218L: Introductory Anatomy Laboratory	B	2	
LIFE-SCI 310: Fundamentals of Medicine I	B	2	Students must complete two (2) biology lab courses (minimum of 5 hours) one of which must be writing intensive (WL). For this emphasis these courses are LSANATO 218L and LSMCRB 313WL.
LIFE-SCI 201: Healthcare Professions Seminar	CR	1	
PHYSICS 210: General Physics I OR PHYSICS 240: Physics For Scientists and Engineers I (4 - 5 credit hours)	B	4-5	
Focus C: Human Actions, Values, and Ethics PSYCH 210 recommended as preparation for MCAT		3	
 2.250 or higher UM GPA recommended. 2.250 or higher UM Biology GPA recommended.			

Spring Semester Year 3: 14-15 hours

LS-BIOC 341: Basic Biochemistry	B	3	
LIFE-SCI 320: Fundamentals of Medicine II	B	2	
LIFE-SCI 202: Exploring Healthcare Professions	CR	1	
MED 9115: Medical Terminology	B	1	
PHYSICS 220: General Physics II OR PHYSICS 250: Physics For Scientists and Engineers II (4 - 5 credit hours)	B	4-5	
Elective - SOCIOL 101 or 211 recommended as preparation for MCAT		3	
 2.250 or higher UM GPA recommended. 2.250 or higher UM Biology GPA recommended.			

Summer Semester Year 3: 0 hours if all previous courses completed

 Complete 90 total hours toward degree.

Fall Semester Year 4: 14 hours

LS-MCRB 313: Microbiology	B	3	HISTORY 101, 102 or POL-SCI 210 recommended for Constitution Requirement.
LS-MCRB 313WL: Laboratory In Microbiology	B	3	

UMKC Major Map: Bachelor of Science in Biology (Biomedical Sciences Emphasis)

First-Time College Students

Catalog Year: 2016 - 2017

	LS-PHYS 316: Principles of Physiology	B	3
	LIFE-SCI 330: Fundamentals of Medicine III	B	2
	Missouri Constitution Requirement		3
	Complete Anchor III and DISC 300. 2.250 or higher UM GPA recommended. 2.250 or higher UM Biology GPA recommended.		

Spring Semester Year 4: 11-17 hours

	Biology Synthesis Requirement: BIOLOGY 498WI: Critical Analysis Of Biological Issues OR LIFE-SCI 497: Special Topics OR LIFE-SCI 499: Undergraduate Research	B	3
	LIFE-SCI 340: Fundamentals of Medicine IV	B	2
	BIOLOGY Elective-Upper Level	B	3
	Free Elective		3
	<i>Free Elective (if needed)</i>		0-3
	<i>Free Elective (if needed)</i>		0-3
	Complete Major Field Exam for Biology. Complete ETS Proficiency Profile. 2.250 or higher UM GPA recommended. 2.250 or higher UM Biology GPA recommended.		

Graduation Requirements Summary

Total Degree Credit Hours	Upper Level (3xx/4xx) Hour Requirement	Minimum Hour / Residency Req.
120	36	30
Major GPA	UM GPA	Other GPA Requirements
2.00	2.00	Other

Policy

The School reserves the right to make changes in courses, degree requirements and course schedules without notice.

Students are expected to maintain a quality of achievement significantly above minimum UMKC standards for degree work. Individual student progress will be monitored throughout the program. Satisfactory progress is required of all students for retention in the program. Students are expected to maintain academic standards, perform satisfactorily in courses, refrain from academic dishonesty, comply with the established University and teacher education timetables and requirements, and refrain from unethical or unprofessional behavior or behaviors that obstruct the training process or threaten the welfare of the student or others. Other circumstances involving student behavior will be addressed by the faculty on an individual basis.
