

Four-Year Graduation Plan - Courses and Critical Benchmarks

The following is a sample course of study. It is the Student's responsibility to ensure that all program requirements are met. This guide is not a substitute for academic advisement. **All incoming freshmen must develop an academic plan (which maps out all courses needed to graduate within your intended major/degree). Your academic advisor is available to meet with you and create your specific plan.**

*Your path to graduation may vary slightly based on factors such as college credit you earned while in high school, transfer work from other institutions of higher learning and placement in Mathematics. You are responsible for checking prerequisites to any courses. Critical Courses and minimum recommended grades (as noted below) provide feedback regarding major fit and help indicate likelihood of successful completion of chosen academic program and degree.*

Admission for the BSDH program is on a selective basis and requires more than simply meeting certain course or GPA requirements. Factors considered in the selection process are the candidates' academic credentials, letters of evaluation, a personal interview, motivation and all other information submitted by the candidates. Formal applications for admission to the dental hygiene program must be submitted no later than Feb. 1 of the year that the student desires admission. Classes formally begin each year at the end of August. Minimum requirements and credentials for application are listed below under the "Admission to the Clinical Entry Level Program" section.

## Admission to the Clinical Entry Level Program

Admission is on a selective basis and requires more than simply meeting certain course or GPA requirements. Factors considered in the selection process are the candidates' academic credentials, letters of evaluation, a personal interview, motivation and all other information submitted by the candidates. Formal applications for admission to the dental hygiene program must be submitted no later than Feb. 1 of the year that the student desires admission. Classes formally begin each year at the end of August. Minimum requirements and credentials for application are all of the following:

- Graduation from an accredited high school or its equivalent.
- Satisfactory completion of approximately two academic years or 60 semester hours of college. (The 60 semester hours must satisfy the general education requirements, which are specified later in this section. All general education requirements must be completed prior to entrance into the dental hygiene program.
- Application to UMKC.
- Supplemental application for admission to the Division of Dental Hygiene.
- College transcripts of all college coursework.
- A cumulative college GPA of at least 2.5.
- A college science GPA of at least 2.5.
- Three evaluation and reference forms.
- Personal interview with at least two members of the Dental Hygiene Admissions Committee (interviews will be scheduled after February).
- For international applicants, a satisfactory TOEFL score (at least 550 on the paper test or 213 on the computer-based version).

### Notification of Admission

Applications for admission are reviewed by the School of Dentistry Dental Hygiene Student Admissions Committee. After a decision is reached on an application, notification of acceptance is made by mail. The applicant has 30 days from the date of the acceptance letter to make a required non-refundable \$100 deposit. This deposit is applied to enrollment fees.

Several applicants are placed on an alternates list. In the event that a position becomes available, an applicant from this list is chosen to fill the vacancy. Alternates may be accepted through the first week of the program.

## Important Information

Students must complete the 30 hour General Education Core ([www.umkc.edu/core](http://www.umkc.edu/core)). In addition, program specific prerequisites must be met for a minimum of 28 additional (58 total) semester hours prior to entry. Student must meet the state requirement for study of U.S. and Missouri Constitutions. Credit will be granted for courses taken at other accredited institutions, which are substantially equivalent to those offered at the University of Missouri-Kansas City, provided a grade of C or above was received.
