

**Four Year Graduation Plan – Courses & Critical Benchmarks:**

The following is a sample course of study. It is the Student's responsibility to ensure that all program requirements are met. This guide is not a substitute for academic advisement. For more information see the University Catalog at [umkc.edu/catalog](http://umkc.edu/catalog).

Your path to graduation may vary based on factors such as college credit you earned while in high school, transfer work from other institutions of higher learning, and placement in Mathematics. You are responsible for checking prerequisites to any courses. Critical Courses and minimum recommended grades (as noted below) provide feedback regarding major fit and help indicate likelihood of successful completion of chosen academic program and degree.

138 minimum	30 minimum	12 minimum	36 minimum	2.80 minimum	3.00 minimum

### Other Information

A minimum of 30 hours must be earned at the University of Missouri-Kansas City, regardless of the number and level of hours earned at another institution. Undergraduate degree-seeking students are required to earn credit in at least 36 hours of coursework numbered 300 and above at UMKC. In the case of transfer credit, the coursework must be numbered as junior-senior level work by the transferring institution. Community-college transfer coursework cannot count towards the 36-hour requirement.

#### Non-course requirements

RooWriter Writing Assessment	Met
ETS Proficiency Profile (EPP) exam	_____
Major Field (MF) exam	_____

### Policy

The University reserves the right to make changes in courses and course schedules. Students are expected to maintain a quality of achievement significantly above minimum UMKC standards for degree work. Individual student progress will be monitored throughout the program. Satisfactory progress is required of all students for retention in the program. Students are expected to maintain academic standards, perform satisfactorily in courses, refrain from academic dishonesty, comply with the established University and teacher education timetables and requirements, and refrain from unethical or unprofessional behavior or behaviors that obstruct the training process or threaten the welfare of the student or others. Other circumstances involving student behavior will be addressed by the faculty on an individual basis.

### Program Description

The BME-Instrumental degree is a rigorous program that prepares students as musicians, performers and teachers. In addition to core classes in musicianship, performance and teaching techniques, students gain extensive experience through field experiences within local schools. Upon completion of their student teaching our graduates are prepared as innovative leaders in the classroom and in their communities. Completion of the bachelor of music education (BME) degree fulfills the course requirements to teach music in grades K-12 (elementary general music and secondary vocal or instrumental music) in both Missouri and Kansas. Students may earn a BME degree with an emphasis in choral or instrumental music.

### Admission Requirements

- Complete the [UMKC application](#) for admission.
- Complete the [Conservatory Supplemental Application](#) for admission.
- Qualify for the first semester freshman level of lessons on the applied instrument for 2 units/credit hours at the audition for admission.
- Show demonstrable knowledge of all major and minor scales and arpeggios in one or two octaves, etudes and solos from standard literature of the instrument.
- Membership in high-school orchestra or band is desirable.
- Students must have an ACT score of 21 or higher, or be at the 50 percentile or higher in the high school class rank, or have a high school grade point average of 2.5 or better.
- Applicants are required to complete an interview with a music education faculty member prior to admission.
