### Four Year Graduation Plan – Courses & Critical Benchmarks:

The following is a sample course of study. It is the Student's responsibility to ensure that all program requirements are met. This guide is not a substitute for academic advisement. For more information see the University Catalog at [umkc.edu/catalog](http://umkc.edu/catalog).

Your path to graduation may vary based on factors such as college credit you earned while in high school, transfer work from other institutions of higher learning, and placement in Mathematics. You are responsible for checking prerequisites to any courses. Critical Courses and minimum recommended grades (as noted below) provide feedback regarding major fit and help indicate likelihood of successful completion of chosen academic program and degree.

**Please Note:** Architectural Studies is a 5-year partnership program with Kansas State University in Manhattan, KS leading to a Master of Architecture, Master of Interior Architecture/Product Design or a Master of Landscape Architecture. Architecture and Interior Architecture students complete years 1-2 at UMKC, and then years 3-5 at K-State. Landscape Architecture students spend year 1 at UMKC, and years 2-5 at K-State. Eligible students can receive in-state tuition at both UMKC & K-State, contact the department for details.

Students who do not place into MATH 110 Precalculus Algebra or MATH 116 Math for Liberal Arts may have to complete preparatory math coursework, potentially adding 3 hours to the total hours required for the degree.

**Fall Semester Year 1: 14 Hours**

- ENV-DSN 201 Environmental Design Studio I  
  C-  4
- ENV-DSN 203 Survey of Design Professions  
  1
- ENV-DSN 250 History of the Designed Environment I  
  3
- MATH 110 Precalculus Algebra (Focus B)  
  3
- DISC 100 Reasoning & Values (Speech & Writing)  
  3

Complete 14 credit hours toward degree  
Earn minimum 2.00 term GPA

**Spring Semester Year 1: 17 Hours**

- ENV-DSN 202 Environmental Design Studio II  
  C-  4
- ENV-DSN 251 History of the Designed Environment II  
  3
- PHYSICS 210 General Physics  
  4
- DISC 200 Culture & Diversity (Speech & Writing)  
  3
- General Elective  
  3

Complete 17 credit hours toward degree  
Earn minimum 2.00 term GPA

**Summer Semester Year 1: 0-3 hours**

- Math 110, MATH 116, or STAT 235 (if not already completed)  
  3

1. Enrollment restricted. Must take ALEKS Math Placement Exam or show prerequisite requirement has been met prior to enrolling.
Complete Math Requirement
Complete DISC 100 & 200
Complete at least 30 total credit hours toward degree
Maintain a minimum 2.00 cumulative GPA

Complete 17 credit hours toward degree
Earn minimum 2.00 term GPA

Other Information
General Electives may be taken in any field. However, Kansas State University will accept no more than 3 hours of recreation credits toward graduation.

Policy
The University reserves the right to make changes in courses and course schedules without notice. Students are expected to maintain a quality of achievement significantly above minimum UMKC standards for degree work. Individual student progress will be monitored throughout the program. Satisfactory progress is required of all students for retention in the program. Students are expected to maintain academic standards, perform satisfactorily in courses, refrain from academic dishonesty, comply with the established University and teacher education timetables and requirements, and refrain from unethical or unprofessional behavior or behaviors that obstruct the training process or threaten the welfare of the student or others. Other circumstances involving student behavior will be addressed by the faculty on an individual basis.
