Four Year Graduation Plan – Courses & Critical Benchmarks:

The following is a sample course of study. It is the Student’s responsibility to ensure that all program requirements are met. This guide is not a substitute for academic advisement. For more information see the University Catalog at [umkc.edu/catalog](http://umkc.edu/catalog).

Your path to graduation may vary based on factors such as college credit you earned while in high school, transfer work from other institutions of higher learning, and placement in Mathematics. You are responsible for checking prerequisites to any courses. Critical Courses and minimum recommended grades (as noted below) provide feedback regarding major fit and help indicate likelihood of successful completion of chosen academic program and degree.

**Please Note:** Students who do not place into MATH 110 Precalculus Algebra or higher may have to complete preparatory math coursework, potentially adding hours to the total hours required for the degree.

Other Information

A minimum of 30 hours must be earned at the University of Missouri-Kansas City, regardless of the number and level of hours earned at another institution. Undergraduate degree-seeking students are required to earn credit in at least 36 hours of coursework numbered 300 and above at UMKC. In the case of transfer credit, the coursework must be numbered as junior-senior level work by the transferring institution. Community-college transfer coursework cannot count towards the 36-hour requirement. The Bloch School requires that students complete a minimum of 50 percent of their upper-level major courses at UMKC.

Non-course Requirements
Missouri Higher Education Civics Achievement Examination _____
RooWriter Assessment _____
HEigthen exit exam _____

Footnotes:

a Requires 30+ credit hours completed prior to enrolling.
b Requires 45+ credit hours completed prior to enrolling.
c Requires 60+ credit hours completed prior to enrolling.
d Included in Major GPA

Students will take electives to bring their program total to 120 credit hours. The number of hours required will vary based on selections made to satisfy general education requirements, international area and upper-division Bloch School electives. The total will generally range from 21-24 hours. Electives can be used to pursue a minor or can be individually-selected courses to build a specific skill-set or explore a particular interest. Students
can have no more than 2 credit hours of physical education activity course work. Additionally, remedial courses, military science classes and vocational course work will not apply.

**Policy**

The University reserves the right to make changes in courses and course schedules. Students are expected to maintain a quality of achievement significantly above minimum UMKC standards for degree work. Individual student progress will be monitored throughout the program. Satisfactory progress is required of all students for retention in the program. Students are expected to maintain academic standards, perform satisfactorily in courses, refrain from academic dishonesty, comply with the established University requirements, and refrain from unethical or unprofessional behavior or behaviors that obstruct the training process or threaten the welfare of the student or others. Other circumstances involving student behavior will be addressed by the faculty on an individual basis.
