

Four Year Graduation Plan – Courses & Critical Benchmarks:

The following is a sample course of study. It is the Student's responsibility to ensure that all program requirements are met. This guide is not a substitute for academic advisement. For more information see the University Catalog at umkc.edu/catalog.

Your path to graduation may vary based on factors such as college credit you earned while in high school, transfer work from other institutions of higher learning, and placement in Mathematics. You are responsible for checking prerequisites to any courses. Critical Courses and minimum recommended grades (as noted below) provide feedback regarding major fit and help indicate likelihood of successful completion of chosen academic program and degree.

Please Note: Architectural Studies is a 5-year collaborative program with Kansas State University in Manhattan, KS leading to an accredited professional degree in one of the following: Master of Architecture, Master of Interior Architecture/Product Design or a Master of Landscape Architecture. Architecture and Interior Architecture students complete 2 years at UMKC, and then years 3-5 at K-State. Landscape Architecture students spend years 1 & 2 at UMKC, and years 3-5 at K-State. Eligible students can receive in-state tuition at both UMKC & K-State, contact the department for details.

Students who do not place into MATH 110 Precalculus Algebra or MATH 116 Math for Liberal Arts may have to complete preparatory math coursework, potentially adding hours to the total hours required for the degree.

First Math Course:	MATH 110 Precalculus Algebra	Foreign Language Requirement:	No	General Elective Hours:	NA
---------------------------	------------------------------	--------------------------------------	----	--------------------------------	----

Critical Course	Course Subject, Number, & Title and Academic Plan Benchmarks Bold = UMKC General Education Core requirement *Prerequisite May Be Required ** Co-Requisite Enrollment Required	Min. Recom. Grade	Credit Hours	Notes
Fall Semester Year 1: 14 Hours				
◆	ENV-DSN 201 Environmental Design Studio I	B	4	¹ Enrollment restricted. Must take ALEKS Math Placement Exam or show prerequisite requirement has been met prior to enrolling. Students must maintain a minimum 2.75 GPA in the Architectural Studies program.
	ENV-DSN 203 Survey of Design Professions		1	
	ENV-DSN 250 History of the Designed Environment I		3	
	MATH 110 Precalculus Algebra ¹ (Focus B)		3	
	DISC 100 Reasoning & Values (Speech & Writing)		3	
Complete 14 credit hours toward degree				
Spring Semester Year 1: 17 Hours				
◆	ENV-DSN 202 Environmental Design Studio II	B	4	Register for UMKC Handshake career network .
	ENV-DSN 251 History of the Designed Environment II		3	
	PHYSICS 210 General Physics		4	
	DISC 200 Culture & Diversity (Speech & Writing)		3	
	General Elective		3	
Complete 17 credit hours toward degree KSU initiates the Academic Progress Review (APR)				
Summer Semester Year 1: 0-3 hours				
	Math 110 or STAT 235 (if not already completed)		3	

Complete Math Requirement Complete DISC 100 & 200 Complete at least 30 total credit hours toward degree				
Fall Semester Year 2: 17 hours				
◆	ENV-DSN 301 Architectural Design Studio I	B	5	
	ENV-DSN 248 Fundamentals of Architectural Technology		3	
	ENV-DSN 252 History of the Designed Environment 3		3	
	COMM-ST 110 Fundamentals of Effective Speaking & Listening		3	
	General Elective		3	
Complete 17 credit hours toward degree				
Spring Semester Year 2: 17 hours				
◆	ENV-DSN 302 Architectural Design Studio II	B	5	
	ENV-DSN 347 Structural Systems in Architecture I		4	
	ENV-DSN 433 Building Construction Systems in Architecture I		3	
	UPD 499C Digital Architecture		2	
	General Elective		3	
Complete 17 credit hours toward degree				

Other Information

General Electives may be taken in any field. However, Kansas State University will accept no more than 3 hours of recreation credits toward graduation.

Policy

The University reserves the right to make changes in courses and course schedules without notice. Students are expected to maintain a quality of achievement significantly above minimum UMKC standards for degree work. Individual student progress will be monitored throughout the program. Satisfactory progress is required of all students for retention in the program. Students are expected to maintain academic standards, perform satisfactorily in courses, refrain from academic dishonesty, comply with the established University and teacher education timetables and requirements, and refrain from unethical or unprofessional behavior or behaviors that obstruct the training process or threaten the welfare of the student or others. Other circumstances involving student behavior will be addressed by the faculty on an individual basis.
