**Four Year Graduation Plan – Courses & Critical Benchmarks:**
The following is a sample course of study. It is the student’s responsibility to ensure that all program requirements are met. This guide is not a substitute for academic advisement. For more information see the University Catalog at umkc.edu/catalog.

Your path to graduation may vary based on factors such as college credit you earned while in high school, transfer work from other institutions of higher learning, and placement in Mathematics. You are responsible for checking prerequisites to any courses. Critical Courses and minimum recommended grades (as noted below) provide feedback regarding major fit and help indicate likelihood of successful completion of chosen academic program and degree.

**Please Note:** Students must have successfully passed (with a “C-” or better) College Algebra or Pre-Calculus or a combination of College Algebra and Trigonometry for college credit to be prepared for major math sequence. **Students who do not place into STAT 235 Elementary Statistics, MATH 210 Calculus I, or MATH 216 Calculus for Biological Sciences may have to complete preparatory math coursework, potentially adding 3 – 6 hours to the total hours required for the degree.**

Register for UMKC Handshake career network.

Students who are planning to complete their degree in 4-years should aim to average at least 30 credit hours per academic year (Fall, Spring, Summer) to stay on track.
### Summer Semester Year 1: 0 hours
- Complete ANCHOR I & DISC 100
- Complete BIOLOGY 108: General Biology I + BIOLOGY 108L: General Biology I Laboratory
- Complete BIOLOGY 109: General Biology II + BIOLOGY 109L: General Biology II Laboratory
- Complete CHEM 211: General Chemistry I + CHEM 211L: Experimental General Chemistry I
- Maintain minimum 2.00 UM cumulative GPA
- Maintain minimum 2.00 UM Biology GPA
- Complete 30 total hours toward degree

### Fall Semester Year 2: 13-14 hours
- **BIOLOGY 202 Cell Biology OR BIOLOGY 206 Genetics**
  - B 3
- *PHYSICS 210 General Physics I* 4
- *MATH 210 Calculus I* OR *MATH 216 Calculus for Biological Sciences* OR *STAT 235 Elementary Statistics* 4
- Focus A Arts & Humanities **Click for options** 3

Take the RooWriter Assessment after completing DISC 200. Must complete prior to enrolling in a Writing Intensive (WI or WL) course.

**1 Enrollment restricted. Must take ALEKS Math Placement Exam or show prerequisite requirement has been met prior to enrolling.**

### Spring Semester Year 2: 15 hours
- **BIOLOGY 202 Cell Biology OR BIOLOGY 206 Genetics**
  - B 3
- PHYSICS 220 General Physics II 4
- **CHEM 320 + 320L Elementary Organic Chemistry + Lab** 4
- Focus C Human Actions, Values, & Ethics **Click for options** 3

**Students planning to continue their education in professional or graduate programs should meet with their advisor to discuss application timelines and requirements.**

**HISTORY 101, 102, & POL-SCI 210 fulfill both the Focus Elective & Missouri Constitution requirement.**

### Summer Semester Year 2
- Complete ANCHOR II & DISC 200
- Complete RooWriter Assessment
- Maintain minimum 2.00 UM cumulative GPA
- Maintain minimum 2.00 UM Biology GPA
- Complete 60 total hours toward degree

### Fall Semester Year 3: 15 hours
- **BIOLOGY 441 Biochemistry**
  - B 3
- **BIOLOGY S 316 Principles of Physiology**
  - B 3
- **BIOLOGY 313 Microbiology**
  - B 3
- **BIOLOGY 313WL Laboratory in Microbiology**
  - B 3
- General Elective 3

Complete at least 15 term credit hours
Maintain minimum 2.00 UM cumulative GPA
Maintain minimum 2.00 UM Biology GPA

### Spring Semester Year 3: 16 hours
- **BIOLOGY 435 Immunology**
  - B 3
- **CHEM 341 Analytical Chemistry I**
  - B 4

Apply for graduation & complete your Final Degree Audit for Major and Minor (if applicable).

Apply for the Clinical Affiliate program.

**Students may use the summer to ensure completion of 30 hours per academic year or to lighten fall and spring course loads.**

**Take the HEighten exit exam**
**BIOLOGY Elective (at least one hour at the 3XX/4XX level)** [Click for options] B 3

**ANCHOR III Community & Civic Engagement** [Click for options] 3

**DISC 300 Community & Civic Engagement** [Click for options] 3

Complete at least 16 term credit hours
Maintain minimum 2.00 UM cumulative GPA
Maintain minimum 2.00 UM Biology GPA
Complete 90 total hours toward degree

### Summer Semester Year 3

Clinical Program at Affiliate Hospital 6

Successful completion of the Clinical Program counts as 10 hours of upper level Biology Coursework and 20 additional hours of general upper level coursework.

### Fall Semester Year 4: 14-15 hours

Clinical Program Continued 12

### Spring Semester Year 4: 12-15 hours

Clinical Program Continued 12

### Graduation Requirements Summary

</tbody>
</table>

### Other Information

A minimum of 30 hours must be earned at the University of Missouri-Kansas City, regardless of the number and level of hours earned at another institution. Undergraduate degree-seeking students are required to earn credit in at least 36 hours of coursework numbered 300 and above at UMKC. In the case of transfer credit, the coursework must be numbered as junior-senior level work by the transferring institution. Community-college transfer coursework cannot count towards the 36-hour requirement.

**Non-course Requirements**

Missouri Higher Education Civics Achievement Assessment
RooWriter Assessment
HEIghten exit exam

**Policy**

The University reserves the right to make changes in courses and course schedules without notice. Students are expected to maintain a quality of achievement significantly above minimum UMKC standards for degree work. Individual student progress will be monitored throughout the program. Satisfactory progress is required of all students for retention in the program. Students are expected to maintain academic standards, perform satisfactorily in courses, refrain from academic dishonesty, comply with the established University requirements, and refrain from unethical or unprofessional behavior or behaviors that obstruct the training process or threaten the welfare of the student or others. Other circumstances involving student behavior will be addressed by the faculty on an individual basis.
